In the event of bad weather, filming will instead take place on Monday 18th August and/or Saturday 23rd August.

Traffic Control & Equipment Vehicle Parking:

To ensure the safety of both residents and our production crew, authorised traffic controllers will implement a brief hold-and-release system to facilitate truck turns at the intersection of Robert and Mullens Streets in Rozelle.

Traffic Control	5:00pm – 11:00pm	Monday 18 th August
Traffic Control	5:00am – 10:00am	Friday 22 nd August
Traffic Control	6:00am – 11:00am	Saturday 23 rd August

To minimise disruption to the neighbourhood, our main truck base and crew parking will be located off-site. Crew members will then be transported via shuttle buses to the filming location. Our crew will be instructed to maintain minimal noise levels between **10:00 PM and 7:00 AM** to respect the quiet nature of your neighbourhood.

Special effects, including atmospheric smoke, will be used throughout filming.
NSW Emergency Services will be notified about these activities.

Should you have any considerations before filming, please don't hesitate to contact either myself or our on-set location manager, Nathaniel O'Brien directly via the event hotline on **0494 156 926**.

This film has the full support of both the State and Federal Governments, who recognise it as a state significant project. To promote Sydney to a global audience we are working closely with Inner West Council, Port Authority, and Placemaking NSW to ensure all necessary permits and permissions are in place. However, it's truly the support of the local community that we rely on most when filming on location. Thank you in advance for your patience and cooperation.

Best Regards,
