Event Notification

10 September 2026

Dear Resident/Building Owner/Business Owner,

We are writing to inform you that there is an electronic music event at White Bay Power Station on Saturday 19th September 2026 between the times of 2.00pm – 12:00am.

EVENT DETAILS

Sandbox Music Festival is being hosted at White Bay Power Station this September for a one-day electronic music event featuring Australian and international artists.

The event will include live performances, lighting and visual installations, along with food and beverage areas.

Sandbox Music Festival will be delivered using established venue operating procedures and experienced event delivery partners. Proven security, traffic management, transport, sound management and patron safety measures, which have been successfully implemented at White Bay Power Station for previous events, will be adapted for this event and delivered in consultation with the venue and relevant authorities. This approach will help ensure the event is conducted safely and efficiently while minimising disruption to local residents and businesses.

During this event, you can expect increased vehicle movements in the area and low impact amplified sound.

Set up:

7am-7pm	Thursday 17 th September 2026
