

Resident Notification – Filming in Your Area

Dear Resident, Building Owner, Business Owner

We are writing to let you know that filming will be taking place in your area as follows:

Date(s): Tuesday, 28 October

Time(s): 9:30 AM – 6:30 PM (Filming), followed by 6:30 PM – 11:00 PM (Bump Out)

Location: White Bay Power Station

We truly appreciate your support and understanding as we carry out this work. We are mindful that filming activity can sometimes affect regular routines, and we are committed to going above and beyond to minimise any disruption.

You may notice our team in the area from Thursday, 24th of October, though all activity prior to the filming day will remain within the private property of White Bay Power Station and White Bay Cruise Terminal.

From the evening of Monday, 27th of October, the spaces marked in the attached Traffic Management Plan will be barricaded (20 car spaces along Robert St) for use the following day. All other production parking will be located on-site at White Bay Power Station and White Bay Cruise Terminal.

During filming hours on Tuesday, 28th of October, there will be brief traffic holds along Robert St. These will be short (no longer than one minute each) and limited to the eastern side of Robert St. Please note these will not affect the section of Robert St that curves into Mullen St near Prestige Auto Traders and Bunnings.

We feel incredibly humbled and excited to be filming at such an iconic local landmark in your backyard.

Our team will:

- Keep noise and equipment use to a minimum
- Manage traffic and parking with as little interruption as possible
- Provide a dedicated on-site contact for any resident concerns

We sincerely thank you for your patience and cooperation. If you have any questions or need further information, please don't hesitate to contact:
